Rose Robin	Few	31.03.12	Pt Hacking RiverAudley	Overhead	IBOC/CBOC
Eastern Yellow Robin	1	26.03.12	Jamberoo	Garden	Betty Hudson
Bassian Thrush	1	31.03.12	Pt Hacking RiverAudley	Overhead	IBOC/CBOC

Notes:

The flock of 57 Yellow-tailed Black-Cockatoos is one of the largest reported in recent times.

The White form of the Grey Goshawk was reported from several locations along Lawrence Hargrave Drive.

The Southern Emu-wren is a welcome sighting from Barengrounds as they appeared to have disappeared during the drought.

Please keep your sightings coming. Email: sightings@iboc.org.au
